Midwest Forum on Hospitals, Health Systems and Population Health

November 29 - December 1, 2017 | The Westin Michigan Avenue | Chicago, IL

Hosted in
partnership by:

University of Wisconsin
Population Health Institute
SCHOOL OF MEDICINE AND PUBLIC HEALTH

The Midwest Forum on Hospitals, Healthcare and Population Health: Partnerships to Build a Culture of Health will bring together organizations and key stakeholders dedicated to improving the health of all Americans. Building on health equity as the core forum theme, topics include:

- The policy environment for population health and health system transformation
- Using data for care coordination and population health
- Aligning financial incentives and payment for population health
- The role of purchasers and payers in population health
- Integrating physical and behavioral health
- Developing clinical/community linkages
- Connecting health with community development
- How to engage consumers and patients in population health
- Collaborating on and leveraging community health needs assessment and planning
